

SAMPLE CYLINDER REPAIR AND TEST

Haldatec are able to provide inspection, service, repair, test and certification for standard and Constant Pressure Cylinders

Our workshop complies to the requirements of a Registered Gas Cylinder Test Station and can provide certified testing to AS2337. This provides for a Test Station Mark and the test date.

In addition, other services available include:

- Internal Inspection using an endoscope camera – particularly useful when inspecting cylinders with internal coatings
- Leak testing
- Hydro Testing
- Drying post hydro testing
- Repairs.
- Reports

ABOUT US

Since 1990, Haldatec has been providing products and services to the Oil, Gas and related industries in Australia, Pakistan, Singapore, Papua New Guinea, India and New Zealand.

ENPRO

Our house product label, EnPro, has been developed to complement our core business and has been driven by customer needs. Our comprehensive range includes innovative designs, adaptations and applications introduced to solve problems for our customers.

STANDARDS

To ensure we provide the best possible support for our customers and suppliers, we have certification to ISO9001:2015.
